

Director Quarterly Report -SCAT/WMAT/ADOT Partnership

Nnee Bich'o Nii Services

SCAT/WMAT/ADOT Meeting-August 14, 2019

Program Name and Philosophy:

The San Carlos Apache Tribe Tribe's TANF Program transitioned into a name change to Nnee Bich'oo Nii, which translates to "Helping our Apache People," reflects the traditional Apache philosophy leading to sustainable financial and personal independence.

Mission Statement:

- “The San Carlos Apache Tribe’s Nnee Bich’o Nii Program will provide eligible individuals the opportunity to become economically independent through employment opportunities. We will remove barriers by providing eligibility, case management, and employment-related with support services.”

TANF Quarterly Report:

- 154 One-parent families served
- 62 Two-parent families served
- 37 Kinship(relative) families served
- 253 Total Families Served
- Cash Assistance \$81,330
- \$122,000 Support Services

Apache Transit Report:

- 646,393.7 fleet miles
- 438,880.6 miles were revenue miles
- 188,515.1 miles were non-revenue miles
- 55,704 Passengers Served
- 4,164 trips were provided
- 22,537.50 hours were spent transporting
