

WHITE MOUNTAIN APACHE TRIBE

FORT APACHE CONNECTION TRANSIT

FORT APACHE CONNECTION TRANSIT OPERATIONS START SUMMARY

Revised October 1, 2015

The White Mountain Apache Tribe kindly invites its neighbors (the people, the Public and Private businesses) within the district counties of Navajo, Apache, and Gila.

THE WHITE MOUNTAIN APACHE TRIBES **FORT APACHE CONNECTION TRANSIT SYSTEM** announces that its **Transit Transportation Services** (Public) will be in operations very soon in the vicinities of the districts counties mention above with its businesses, its community people and its public and private affairs organizations / governments.

This announcement of **The Fort Apache Connection Transit Transportation Services** that is coming soon with its **first year operations** as planned. The Fort Apache Connection Transit will begin the services within the year as projected. Implementation has begun and all preliminary procedure requisites (approved submission forms, down-down financial practices, procurement procedures, etc.,) are in order and are in the process (submittal) for approval unto completion so that these services may begin its transportation assistance to / in its service area.

May it be known that this is the first (open) daily (excluding weekends) public transportation services for the White Mountain Apache Tribe, its people and neighbors within the service area as prescribed in its outlined plans/contract with approval by the authorized officials of the governments of the great state of Arizona and the United States of America (ADOT/FTA, respectively).

The start date will be announced in the immediate future with displaying of Route Schedules on Brochures, posters with maps, pick-up/drop-off locations, times, date, and fares/charges for all to view for access.

We appreciate your understanding acknowledgement and do encourage you to utilize the public services for your weekday endeavors and necessities.
