

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

Partnering Across Agencies

August 9-10, 2023

Desert Willow Conference Center, 4340 East Cotton Center Blvd., Phoenix, Arizona 85040

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

HOSTED BY ARIZONA DEPARTMENT OF TRANSPORTATION IN PARTNERSHIP WITH:

Arizona Governor's Office of Highway Safety

Arizona Department of Health Services

Arizona Department of Public Safety

Indian Health Services - Phoenix Area

Inter Tribal Council of Arizona

M.G. Tech-Writing, LLC

USDOT Federal Highway Administration

USDOT National Highway Traffic Safety Administration

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

WELCOME TO THE 2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

Dear Tribal Partners, Partnering Agencies, and Colleagues,

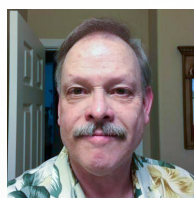

The Arizona Department of Transportation (ADOT) and Arizona Department of Health Services (ADHS) welcome you to the first ever Arizona Tribal Transportation Safety and Injury Prevention Summit. This two-day event is in collaboration with the Arizona Department of Public Safety, Arizona Governor's Office on Highway Safety, Federal Highway Administration, USDOT Office of Tribal Transportation, National Highway Traffic Safety Administration, Indian Health Service, Inter Tribal Council of Arizona, and M.G. Tech Writing.

The Summit provides an opportunity for attendees and participants to network with colleagues in the transportation and injury prevention industries and Tribal partners affecting safety changes in Tribal communities. The overall mission of the Summit is to increase and promote safety on Tribal Lands by informing participants of program activities and projects as well as resource opportunities. The Summit includes two tracks: A Transportation Safety Track and an Injury Prevention Track. The Transportation Safety track breakout sessions will focus on the Four E's of Safety: Engineering, Education, Enforcement and Emergency Medical Services. The Injury Prevention track breakout sessions will cover personal injury prevention programs and services available to Tribal governments.

We hope you have an overall meaningful experience at the Summit.

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

WEDNESDAY, AUG. 9

7:00 am - 8:30 am **Registration / Continental Breakfast (Foyer)**

8:00 am - 8:45 am **Plenary Session: Opening Welcome & Agency Keynotes (Cottonwood Ballroom)**

- Master of Ceremonies - State Engineer Greg Byres, AZ Department of Transportation
- Opening Prayer - Board Member Jesse Thompson, AZ State Transportation Board
- Presentation and Posting of the Colors - American Legion Post 114 Bushmasters of Salt River Pima-Maricopa Indian Community
- National Anthem - Todderick Johnson, Gila River Indian Community
- Agency Welcome Remarks - Jennifer Cunico, AZ Department of Health Services / Robert Morones, Indian Health Service Phoenix Area / J.M. (Jesse) Torrez, Governor's Office of Highway Safety / Colonel Jeffrey Glover, AZ Department of Public Safety

8:45 am - 9:30 am **Plenary Session: Keynote Address (Cottonwood Ballroom)**

- Arizona's 24th Governor - Governor Katie Hobbs
- USDOT Office of the Secretary - Assistant Secretary for Tribal Government Affairs, Arlando Teller

9:30 am - 10:00 am **Morning Break / Networking (Foyer)**

10:00 am - 11:30 am **Focus Area 1A – Crash, Roadway & Traffic Count Data (Cottonwood Ballroom)**

Moderator: Kerry Wilcoxon, P.E., PTOE, RSP1, AZ Department of Transportation

- **AZ Crash Form:** This session provides an overview of the efforts ADOT has made to improve the quality of crash data received from law enforcement agencies across Arizona.
Presenter: Glen Robison, USDOT Federal Highway Administration
- **TraCS, Electronic Reporting and Tribal Usage:** TraCS is an electronic data collection platform that allows users to complete crash reports, citations and other forms in the field. The crash report can be transmitted electronically to ADOT and citations to the appropriate court. This presentation will cover TraCS and the process to deploy it.
Presenters: Tim Jordan & David Porter, AZ Department of Transportation / Officer Michael Espinoza, Gila River Indian Community Police Department
- **Arizona Crash Information System (ACIS) Demonstration:** The ACIS is an ADOT web-based application that provides motor vehicle crash data initially compiled from traffic reports submitted to the Arizona Department of Transportation (ADOT). Arizona crash data is supplied to the ADOT Traffic Safety Group by law enforcement agencies of the state, county, city, and Tribal areas. The primary function of ACIS is a query tool that allows users to analyze, sort, filter, and interact with crash-related data. The ACIS crash tool currently provides crash data for agency-wide analysis and site- specific analysis.
Presenter: Saroja Devarakonda, P.E., AZ Department of Transportation

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

- 10:00 am -11:30 am Focus Area 1B – Motor Vehicle Crash Injury Prevention (Brittlebush)**
Moderator: Dr. David Harden, JD, BHSc, NREMT, AZ Department of Health Services
- EMS and Trauma Registries and Hospital Discharge Analysis for Injury Surveillance and Prevention: The Session will cover examples of using EMS and trauma system registries, and hospital discharge databases as surveillance and prevention tools in identifying injury trends, patterns, and risks of traffic- related crashes and their impacted populations.
Presenters: Vatsal Chikani, AZ Department of Health Services / Robert Morones, Indian Health Service OEH Phoenix Area / Monte Yazzie, Salt River Pima-Maricopa Indian Community
- 11:30 am - 1:00 pm Working Lunch – Transportation Funding (Cottonwood Ballroom)**
Moderator: Kerry Wilcoxon, P.E., PTOE, RSP1, AZ Department of Transportation
- New Horizons for Tribal Safety Under the IIJA: The Infrastructure Investment and Jobs Act (a.k.a Bipartisan Infrastructure Law) includes many new funding programs and changes to some regulations. This session will focus on how these changes have a potential to impact transportation safety in Tribal areas.
Presenter: Adam Larsen, USDOT Federal Highway Administration Office of Tribal Transportation
 - Arizona Highway Safety Improvement Program (HSIP) Funding Opportunities: Overview of the Arizona HSIP program, HSIP selection process Past, Present and Future and how to apply for the HSIP fundings.
Presenter: Mona Aglan-Swick, AZ Department of Transportation
- 1:00 pm - 2:30 pm Plenary Session – Safety Planning (Cottonwood Ballroom)**
Moderator: Norma Bowman, Navajo Nation Division of Transportation
- Tribal Traffic Injury Prevention Planning: This session will provide an overview of crash injury prevention and transportation safety planning processes. Participants will learn about strategies and best practices for crash injury prevention and ways to not only plan but design and construct transportation safety projects as well. This course will highlight the need to build partnerships with federal, state, and local transportation agencies to maximize the program and available funding opportunities. Topics will focus on the challenges rural Tribal governments face, which often have limited resources and must work in cooperation with other governments to achieve their transportation safety goals.
Presenter: Elisabeth Whitlock, High Road Engineering, Inc.
 - Tribal Traffic Safety Plans: Presentation will highlight two Tribes' (Salt River Pima-Maricopa Indian Community and Navajo Nation) efforts related to transportation safety planning and methods used to engage public involvement will be shared. Various efforts to implement safety measures will be discussed. The goal of this session is to collaborate and share ideas and techniques to improve safety on Tribal lands.
Presenters: Jennifer Jack, Salt River Pima-Maricopa Indian Community / Brian James & Jonah Begay, Navajo Nation Division of Transportation
- 2:30 pm - 3:00 pm Afternoon Break / Networking (Foyer)**

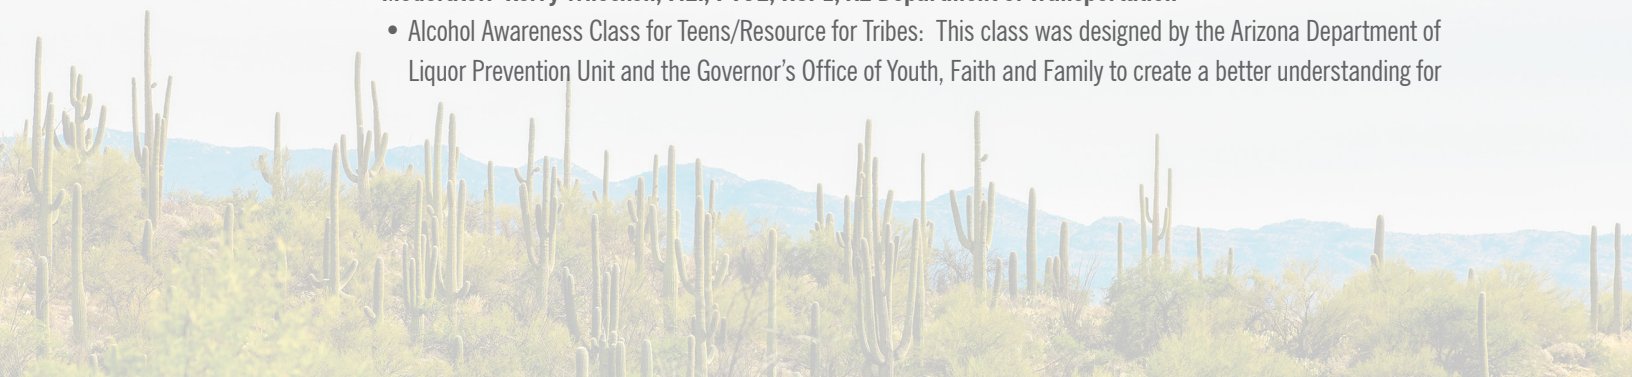

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

- 3:00 pm - 4:30 pm** **Plenary Session – Vulnerable Road User Prevention Strategies (Cottonwood Ballroom)**
Moderator: Elaine Mariolle, AZ Department of Transportation
- Bicycle and Pedestrian Safety Strategies in Tribal Communities: This session will provide: a presentation of successful bicycle and pedestrian safety strategies that have been implemented within two Arizona Tribal communities; an introduction to the Federal Highway Administration's (FHWA's) Systemic Safety Study of Pedestrians in Tribal Areas Project; and an overview of ADOT's Transportation Alternative Program and the Rural and Tribal Walking and Bicycling Workshop.
- Panelists: Michia Casebier, M.G. Tech-Writing, LLC / Fred Stevens, Tohono O'Odham Nation / Herminia Frias & Irma Yopez-Perez, Pascua Yaqui Tribe / Adam Larsen, USDOT Federal Highway Administration Office of Tribal Transportation / Brent Crowther, Kimley-Horn
- 4:30 pm - 5:00 pm** **Plenary Session – Closing Presentation (Cottonwood Ballroom)**
- Stop the Bleed Training Demonstration: In this session, attendees will receive an overview and demonstration of the American College of Surgeons Stop the Bleed Training Program, which includes the application of a tourniquet and wound packing of gauze to stop life-threatening external hemorrhage, with the opportunity for limited practice on training devices.
- Presenter: Adam Rodriguez, AZ Department of Health Services

THURSDAY, AUG. 10

- 7:00 am - 8:30 am** **Registration/Continental Breakfast (Foyer)**
- 8:00 am - 8:15 am** **Plenary Session - Welcome Remarks (Cottonwood Ballroom)**
- Master of Ceremonies - State Engineer Greg Byres, AZ Department of Transportation
 - Welcome Remarks - Director Jennifer Toth, AZ Department of Transportation
- 8:15 am - 9:00 am** **Plenary Session – Agency Keynotes (Cottonwood Ballroom)**
- Agency Welcome Remarks - Karla Petty, USDOT Federal Highway Administration Arizona Division / Maria Dadgar, Inter Tribal Council of Arizona / Eugene Livar, AZ Department of Health Services / Kevin Schurwan, USDOT Federal Motor Carrier Safety Administration
- 9:00 am - 9:30 am** **Morning Break / Networking (Foyer)**
- 9:30 am - 11:00 am** **Focus Area 2A – Safety Analysis and Strategy Identification (Cottonwood Ballroom)**
Moderator: Kerry Wilcoxon, P.E., PTOE, RSP1, AZ Department of Transportation
- Alcohol Awareness Class for Teens/Resource for Tribes: This class was designed by the Arizona Department of Liquor Prevention Unit and the Governor's Office of Youth, Faith and Family to create a better understanding for

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

teens regarding the dangers of underage drinking. This class is intended to create a forward-thinking mentality for teens and to educate them on the legal and physiological consequences of underage drinking. Teens are encouraged to interact with the instructor and to broaden their perspective towards alcohol consumption, and concerns relating to peer pressure.

Presenter: Sgt. Dan Webb, AZ Department of Liquor License and Control

Focus Area 2A – Safety Analysis and Strategy Identification - Continued

- **Traffic Safety Ingenuity:** This presentation, Traffic Safety Ingenuity, highlights how human factors influence traffic control device effectiveness and reasons for new consideration on device placement and configuration for prominent view and clear information conveyance. Successful case studies implemented on rural highways in Mohave County, Arizona are profiled.

Presenter: Steve Latoski, Mohave County Public Works

- **Tribal Crash Reporting Toolkit, Analysis and Funding:** Crash data and other transportation safety information is limited in many Tribal areas. Free tools and technical assistance are available to Tribes that would help improve their crash data collection and analysis. This session will review opportunities for Tribes to participate in a pilot program aimed at deploying crash data collection and analysis improvements.

Presenter: Adam Larsen, USDOT Federal Highway Administration Office of Tribal Transportation

9:30 am - 11:00 am

Focus Area 2B – Post-Crash Traumatic Head Injury Prehospital Care (Brittlebush)

Moderator: Dr. David Harden, JD, BHSc, NREMT, AZ Department of Health Services

- **Traumatic Brain Injury (TBI) Excellence in Prehospital Care:** The Excellence in Prehospital Injury Care (EPIC) Project is the first NIH-funded large-scale statewide effort involving the University of Arizona, the Arizona Department of Health Services, EMS agencies, emergency medical helicopter agencies, and more than 11,000 emergency medical care technicians to evaluate the impact of the Prehospital Traumatic Brain Injury (TBI) Treatment Guidelines. In this session, attendees will receive an overview of the EPIC Project and the Prehospital TBI Treatment Guidelines for improving TBI patient outcomes.

Presenter: Joshua B. Gaither, MD, FACEP, University of Arizona Department of Emergency Medicine

11:00 am - 12:30 pm

Working Lunch - Presentations by ADHS and FHWA (Cottonwood Ballroom)

Moderator: Dr. David Harden, JD, BHSc, NREMT, AZ Department of Health Services

- **First Responders/Medical Provider Recognition:** During this Working Lunch, Chief Rachel Garcia will provide an overview of the Arizona EMS and Trauma System's cadre of first responders and medical providers, the medical and injury conditions they address, and their value as our frontline heroes rendering life-saving services and care 24/7 and 365 days-a-year to Arizona's residents and visitors.

Presenter: Chief Rachel Zenuk Garcia, AZ Department of Health Services

- **FHWA Safe Streets for All (SS4A):** The purpose of this session is to provide an introduction to the Safe Streets and Roads for All (SS4A) discretionary program, with \$5 billion in appropriated funds over 5 years, 2022-2026. The SS4A program funds regional, local, and Tribal initiatives through grants to prevent roadway deaths and serious injuries. The SS4A program supports the U.S. Department of Transportation's National Roadway Safety Strategy and our goal of zero roadway deaths.

Presenter: Jeff King, USDOT Federal Highway Administration

2023 ARIZONA TRIBAL TRANSPORTATION SAFETY & INJURY PREVENTION SUMMIT

12:30 pm - 2:30 pm

Focus Area 3A – Traffic Safety Implementation (Cottonwood Ballroom)

Moderator: Anthony Sarhan, USDOT Federal Highway Administration - Arizona Division

- Tribal Funding Agreements / FHWA Tribal Agreement: This presentation will explain what a Program Agreement is, the requirements, and the powers, authorities, and primary responsibilities of the Tribal Governments and the Federal Government under this agreement.

Presenter: Manuel Sanchez, USDOT Federal Highway Administration Office of Tribal Transportation

- 202(a)(9) Tribal Intergovernmental Funds Transfer Agreements: This session will also showcase the Colorado River Indian Tribes' Mojave Road safety planning and improvement strategies. The topics include grant writing, working with State and Federal agencies for funding opportunities, participation in safety programs through ADOT and FHWA, and the process to utilize an Intergovernmental Fund Transfer Agreement for award of State project funding. The session will provide insights into some challenges and strengths of working under a Transfer Agreement mechanism.

Presenters: Marty Pretends Eagle, Colorado River Indian Tribes / Elisabeth Whitlock, High Roads Engineering, Inc.

- Tribal Project Development from Planning or RSAs: Highlights three Tribes and their successful implementation of Road Safety Assessments (RSA) recommendations.

Presenters: Mike Blankenship, Greenlight Traffic Engineering / Jason Bahe, Pascua Yaqui Tribe / Philip Wisely, Hualapai Tribe

12:30 pm - 2:30 pm

Focus Area 3B – Public Health Emergency Management & Traffic Safety Education (Brittlebush)

Moderator: Dr. David Harden, JD, BHSc, NREMT, AZ Department of Health Services

- Community Preparedness and Transportation Interventions: During this session, attendees will learn how highways-traffic interventions and mitigation measures are coordinated with community preparedness in times of disasters, including transportation interventions for vulnerable populations.

Presenter: Antonio Hernandez, AZ State Citizen Corps Council

- Occupant Protection, Seat Belts, Observational Surveys, Child Passenger Safety: Attendees will hear from three Tribes' efforts in creating and preserving change in their Tribal communities by establishing the core safety foundations centered on education, engagement, engineering, enforcement and evaluation. The presentations will highlight occupant safety awareness (child passenger safety and adult occupant protection), advocacy for a primary seat belt law, and how to establish data-driven models to report change and media engagement strategies.

Presenters: Megan Talahaftewa, Hopi Tribe / Monte Yazzie, Salt River Pima-Maricopa Indian Community / Teri De La Cruz, Ak-Chin Indian Community

2:30 pm - 3:00 pm

Afternoon Break / Networking (Foyer)

3:00 pm - 4:30 pm

Closing Plenary Session – (Cottonwood Ballroom)

- 2024 Arizona Strategic Highway Safety Plan & Tribal Safety Emphasis Area - Kerry Wilcoxon, AZ Department of Transportation
- Closing Remarks and Summit Evaluation - Kerry Wilcoxon, AZ Department of Transportation & Dr. David Harden, AZ Department of Health Services
- Retrieval of Colors - American Legion Post 114 Bushmasters of Salt River Pima-Maricopa Indian Community
- Closing Prayer - Jonah Begay, Navajo Nation Division of Transportation
